ANTI RAGGING:

In the name of introduction or initiation, millions of students are brutally abused in many educational institutions.

The Supreme Court defined ragging in following words:

"Any disorderly conduct whether by words spoken or written or by all act which has the effect of teasing, treating with rudeness any other student indulging in rowdy or indiscipline activities which causes or likely to cause annoyance, hardship or psychological harm or to raise fear of apprehension thereof ill a fresher or a junior student or asking the students to do any act or perform something which such students will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student."

To stop the menace of ragging it is but necessary to inculcate among the students, importance of good character, importance of love and affection towards their juniors and fellow beings.

Punishment Rules:

a. Cancellation of admission
b. Suspension from attending classes
c. Withholding/withdrawing scholarship/fellowship and other benefits
d. Debarring from appearing in any test/examination or other evaluation process
e. Withholding results
f. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
g. Suspension/expulsion from the hostel
h. Rustication from the institution for period ranging from 1 to 4 semesters
i. Expulsion from the institution and consequent debarring from admission to any other institution.
j. Fine of Rupees 25,000/-
k. Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.
